It feels good to know
the removal of minor
dents and dings on
your vehicle is covered.

ESC Makes Good Sense

The road can take its toll on your vehicle. Then again, so can that shopping cart in the parking lot of your local supermarket.

It happens. Sooner or later, your vehicle gets dented by any number of mishaps that can occur over the life of your vehicle. They can add up, ultimately diminishing the look of your vehicle.

You don't have to accept dents and dings – ESC DentCARE is the solution.

- The Paintless Dent Repair (PDR) process removes minor dents and dings without harming the vehicle's factory finish
- Certified repair technicians remove minor dents and dings by utilizing specialized tools to flex or manipulate metal back to its original form
- Covered repairs require no deductible and can be made at your selling Dealer, home or work; for your convenience and satisfaction, repairs are completed while you wait
- Eligible on new and used vehicles
- Up to 8 years of coverage
- No limit on eligible claim benefits

The result?

Specialized removal of door dings and minor dents without harming your vehicle's factory finish.

Fast, complete repair gets you back on the road with minimal tie-up of your vehicle:

- More convenient and less time-consuming than traditional body shop repair methods

A positive return on your investment:

- May protect your vehicle's value when it's time to sell or trade
- May reduce any lease turn-in charges
- Transferable to the next owner, potentially adding to resale value (transfer fee applies)

What is not covered by DentCARE?

See your Agreement for exclusions and limitations. Here are some examples:

- Dents or dings that are larger than four (4) inches in diameter
- Dents or dings that cannot be repaired by the Paintless Dent Repair process
- Damage caused by vandalism
- Repairs that will affect or damage the vehicle's paint or finish
