

Genuine Car Care Products

Maintain a brilliant appearance

Mercedes-Benz

The best or nothing.

Mercedes-Benz Genuine Car Care Products

Gleaming paint, clean wheels, and a refined interior – a new Mercedes-Benz displays qualities that are hard to ignore. To preserve the look and feel of your interior or exterior through Canada's changing seasons, be sure to select products designed specifically for your Mercedes-Benz.

Mercedes-Benz Genuine Car Care Products are tested for compatibility with the materials in your vehicle and meet our high quality standards. Made from the finest ingredients, these products are effective, gentle and environmentally sound. They have been approved under Daimler AG's strict environmental conditions and tested through external laboratories.

A 002 986 14 71 09	WinterFit Windshield Washer Concentrate	35

Interior

Quick & Clean

Part number

A 002 986 51 71	500 ml	\$17.95
A 002 986 51 71 11	1 l refill pack	\$27.95

- All-purpose use for the exterior and interior surfaces of your vehicle.
- Streak-free cleaning of glass as well as painted, rubber and plastic surfaces.
- Quickly removes fingerprints and dirt residue.
- Biodegradable and environmental friendly.

Use: Spray undiluted Quick & Clean onto relevant area and polish with a cloth. High-gloss surfaces must not be cleaned with commercial cleaners and microfibre cloths.

Use with Cotton Cloth (A 000 986 04 62), see page 13 or Polishing Tissue (A 000 986 05 62), see page 22.

Cockpit Lotion

Part number A 000 986 47 74 13	250 ml	\$15.95
---------------------------------------	--------	----------------

- Easy to use when cleaning high-quality fittings.
- Cleans plastic and leather and protects them from aging.
- Anti-static effect, does not attract dust.

Use: Shake before use. Apply sparingly and spread gently using a soft, fluff-free rag. Do not put onto hot plastic or leather and do not use where directly exposed to sunlight. Do not apply on instruments or their plastic covers.

Use with Window Cleaning Cloth (A 000 986 14 62), see page 13 or Polishing Cloth (A 000 986 09 62 11), see page 23.

Antistatic Spray

Part number A 006 989 97 71	500 ml	\$18.95
------------------------------------	--------	----------------

- Treated vehicles enjoy weeks of protection against electrostatic shock.
- Helps reduce the accumulation of dust and dirt.

Use: Shake before use. Vacuum carpets and floor mats in conjunction with Textile Upholstery Cleaner and allow to dry.

Cleaning Agent for Plastics

Part number A 001 986 94 71	250 ml	\$15.95
------------------------------------	--------	----------------

- Gets rid of dirt, grease, wax and nicotine.
- For year-round use.

Use: Shake before use. Apply a few drops to a soft rag and lightly rub into any plastic parts which need cleaning, e.g. dashboard, door panels.

Use with Polishing Cloth (A 000 986 09 62 11), see page 23.

Interior Glass Cleaner

Part number A 001 986 38 71 500ml **\$14.95**

- Window cleaning agent with anti-misting effect.
- Removes dirt, grease and nicotine in one application.
- Phosphate-free.

Use: Spray onto the inside glass or plastic windows which need cleaning (inside and outside of plastic windows) and clean with a damp cloth or sponge. Then rub dry with a cloth, chamois or tissue paper.

Use with Window Cleaning Cloth (A 000 986 14 62), see page 13 or with Synthetic Leather Cloth (A 000 986 12 62), see page 13.

Stain Remover

Part number A 001 986 28 71 10 250ml **\$19.95**

- Removes a wide variety of stains, including oil, grease and wax.

Use: Apply a few drops to a soft rag and lightly rub into plastic or fabric surfaces which need cleaning. For plastic surfaces of fabric upholstery in the interior of all vehicles (e.g. seats, door panels). Not for use on leather.

Use with Polishing Cloth (A 000 986 09 62 11), see page 23.

Interior Car Care Kit

Part number A 211 986 00 00 09 **\$59.95**

Two very popular cleaning products for the interior of the car as well as complementary care products to go with them: a car glass sponge and a synthetic leather cloth. In addition a black, top-quality leisure bag as packing.

The Interior Car Care Kit contains the following products:

- Cockpit Lotion (A 000 986 47 74 13).
- Interior Glass Cleaner (A 001 986 38 71).
- Interior Glass Sponge (synthetic leather), printed with Mercedes-Benz logo.
- Car Care Cloth (synthetic leather, 390 x 350mm, neutral colour, non-perforated, printed with Mercedes-Benz logo, packed in cellophane).

These products are also available individually.

Textile Upholstery Cleaner

Part number A 001 986 25 71 09 150ml **\$15.95**

- Gets rid of dirt and nicotine.
- Freshens up upholstery colours.

Use: Vacuum or brush off any loose dust and dirt. Treat the upholstery with the product and leave for about 1 minute. Rub well with a dampened sponge and leave to dry for approximately 2 hours. Vacuum clean thoroughly. Suitable for fabric upholstery, carpets and, if needed, the roof lining.

Note: In the case of seat covers, first test on an inconspicuous area.

Leather Care Foam

Part number A 001 986 59 71 09 150ml **\$22.95**

- Easy to use for the care of high-quality interiors.
- Protects leather from aging, while keeping it supple and clean.
- Anti-static effect, does not attract dust.
- Only suitable for the care of smooth leather.

Use: Shake before use. Foam onto a soft, lint-free cloth and distribute over the areas to be cleaned. Wipe dry after 2–3 minutes. Do not apply on hot leather and do not use in direct sunlight.

Use with Polishing Tissue (A 000 986 05 62), see page 22.

Window Cleaning Cloth

Part number A 000 986 14 62 **\$5.95**

- Leaves no smears, streaks or lint.
- Suitable for all smooth (e.g. glass, mirror, plastic) and rough surfaces (e.g. upholstery, headliners, structured cockpits).

Use: Wash cloth before use. Do not crumple up the cloth during usage.

Cotton Cloth

Part number A 000 986 04 62 **\$4.95**

- Fluffy, soft and dust-binding.
- Effectively and gently removes residue on delicate surfaces and dries wet windows.

Use: Do not crumple up the cloth during usage.

Synthetic Leather Cloth

Part number A 000 986 12 62 **\$7.95**

- Strong and absorbent synthetic leather cloth.
- Cleans interior and exterior without leaving stains and streaks.
- Dries leather, glass and plastic surfaces.

Use: Do not crumple up the cloth during usage.

Exterior

Quick & Clean

Part number

A 002 986 51 71	500 ml	\$17.95
A 002 986 51 71 11	1 l refill pack	\$27.95

- All-purpose use for the exterior and interior surfaces of your vehicle.
- Streak-free cleaning of glass as well as painted, rubber and plastic surfaces.
- Quickly removes fingerprints and dirt residue.
- Biodegradable and environmental friendly.

Use: Spray undiluted Quick & Clean onto relevant area and polish with a cloth. High-gloss surfaces must not be cleaned with commercial cleaners and microfibre cloths.

Use with Cotton Cloth (A 000 986 04 62), see page 22 or Polishing Tissue (A 000 986 05 62), see page 22.

Car Shampoo

Part number A 001 986 41 71 10 250 ml **\$12.95**

- For a thorough exterior cleaning.
- Easy dosing with a metering bottle head.

Use: Open sealed lid, fill measuring cap by squeezing. Add this amount to a bucket containing 5 litres of water and stir well. Wash the exterior of the vehicle with a soft sponge, rinse with clean water and dry off with a chamois. Avoid washing the vehicle in the sun or when the engine hood is warm.

Use with Synthetic Leather Cloth (A 000 986 12 62), see page 13.

Wheel Cleaner

Part number A 001 986 34 71 14 500 ml **\$17.95**

- Removes stubborn dirt such as aggressive brake dust, oil deposits and other road grime.

Use: For use on all carbon-steel and light-alloy wheels. Also for chromed and polished wheels. Spray evenly onto dry or damp rims and hubcaps from a short distance. Depending on the degree of dirt and grime, leave for 1–5 minutes to take effect. If required, also use a sponge or brush. Thoroughly rinse with a powerful jet of water or with a high-pressure washer.

Note: Do not use in harsh sunshine or on hot rims. Not to be used on unpainted, polished aluminum rims.

Convertible Top Cleaner

Part number A 001 986 33 71 11 500 ml **\$24.95**

- Removes dirt, nicotine, insects and bird droppings.
- For year-round interior and exterior use.

Use: Sweep or vacuum off any loose dirt. Spray evenly and leave for 1–2 minutes to take effect and clean with a damp sponge. Wash again with a wet sponge and dry with a cloth.

Exterior Car Care Kit

Part number A 211 986 01 00

\$59.95

Two very popular cleaning products for the exterior of the car as well as complementary care products to go with them: a car sponge, a synthetic leather cloth and a wheel brush. In addition, a black top-quality leisure bag as packing.

The Exterior Car Care Kit contains the following products:

- Car Shampoo (A 001 986 41 71 10).
- Wheel Cleaner with Sponge Brush (A 001 986 34 71 14).
- Car Care Cloth (synthetic leather, 390 x 350mm, neutral colour, non-perforated, printed with Mercedes-Benz logo, packed in cellophane).
- Car Sponge.

These products are also available individually.

Insect Remover

Part number A 002 986 11 71 14 500 ml **\$17.95**

- Removes insect remains particularly quickly from glass, painted, chrome and plastic surfaces, without harming these materials.

Use: Spray well over the area to be treated and leave for a few minutes to take effect. Thoroughly rinse with water and wash the car as usual.

Note: Do not apply in harsh sunshine or on hot paintwork. Do not let the product dry on the paintwork.

Apply using Polishing Tissue (A 000 986 05 62), see page 22.

Chrome Care

Part number A 000 986 43 74 09 75 ml **\$14.95**

- Ideal for the care of decorative trim.
- Thoroughly and gently restores dull and corroded areas on decorative trim and removes soiling and residual rust.
- Effective on paintwork which has become dull or weathered and removes light surface scratches.

Use: Apply the paste to the clean, dry surface using cotton wool or a soft cloth. Rub in with moderate or heavy pressure. Allow to dry then polish thoroughly.

Note: Not suitable for use on aluminum parts.

Polish using Polishing Tissue (A 000 986 05 62), see page 22.

SummerFit Windshield Washer Concentrate

Part number	A 000 986 20 00 09	40 ml	\$4.95
	A 000 986 20 00 11	250 ml	\$17.95

- After only a few wiper blade sweeps, it eliminates the glare effect caused by drying equipment, hot waxes and preserving agents used in car washes.
- Removes road film from windshield in both dry and wet conditions.
- Compatible with all surfaces and components used in the area of use.

Use: Mixing ratios (1:100)

SummerFit (1)	:	Water (100)
(1 bottle) 40 ml	:	4 l
250 ml	:	25 l

For all vehicles as an additive for windshield washer system, cleaning front and rear windshields (if applicable) as well as headlight lenses in summer.

Window Cleaner, Intensive

Part number	A 000 986 40 71	250 ml	\$11.95
--------------------	-----------------	--------	----------------

- Removes road grime, silicones, diesel soot, hot wax, gloss preserver, squashed insects and bird droppings.
- For quiet wiper blade operation.
- Gentle on paintwork and synthetic materials.
- For year-round use.

Use: Shake before use. Apply a few drops to the pane of glass and rub all over with a soft rag or dampened sponge. Once dry, shine with a dry cloth. For use on exterior glass. Do not use on paint, plastic and vulcanized rubber.

Use with Polishing Tissue (A 000 986 05 62), see page 22 or Polishing Cloth (A 000 986 09 62 11), see page 23.

Tar Remover

Part number	A 001 986 40 71 09	300ml	\$12.95
--------------------	--------------------	-------	----------------

- Gently and thoroughly removes tar and oil stains as well as other stubborn dirt and grime.
- Cleans by itself without the need for rubbing or scraping.
- Special valve allows for spraying from any position.

Use: Spray either directly onto the affected area or apply it with a soft cloth. Leave it to take effect for a few minutes, then wipe off with a damp cloth or wash the whole vehicle and reseal the treated surfaces with Gloss Preserver. For use on all painted parts and chrome surfaces.

Note: Do not spray onto turn signal and stop lamps. Be careful with new or re-sprayed paint.

Paint

Paintwork Cleaner

Part number A 001 986 37 71 09 500 ml **\$24.95**

- 5-fold polishing effect with no hazing of the shine, maximum freshening up of the colour and depth of lustre and particularly easy to work with.
- For cleaning and polishing lacklustre and severely weathered paintwork.
- Removes slight scratches.

Use: Wash the vehicle before applying. Shake contents well before use. Thinly apply to dry paintwork. Rub over, with moderate to hard pressure, until the desired shine is attained. Then treat with Paint Polish and Gloss Preserver.

Use with Polishing Cloths (A 000 986 09 62 12), see page 31.

Paint Polish

Part number A 000 986 46 74 09 500 ml **\$24.95**

- Extremely deep shine without hazing. Washer system grey hazing is easily removed.
- For use on multi-colour and metallic paints. Produces a stripe-free, mirror finish providing long-lasting protection.
- Can also be used for small scratches and dull/weathered paintwork

Use: Thoroughly wash and dry vehicle. Shake contents before use. Apply thinly using a circular motion. Leave it for a short time to take effect and then polish. Only treat part surfaces and do not apply to plastic. Do not use in harsh sunshine or on hot paintwork.

Use with Polishing Cloths (A 000 986 09 62 12), see page 31.

Matte Paintwork Car Care Kit

Part number A 000 986 16 00 4 x 250 ml **\$139.95**

- Matte Finish Quick Care 250 ml
- Matte Finish Long Term Sealing 250 ml
- Matte Finish Shampoo 250 ml
- Matte Finish Intensive Cleaner 250 ml

These products can only be ordered as a set.

Matte Finish Shampoo

- Concentrate without any moisturizing effect.
- Highly-effective washing agents ensure speedy and effective dirt removal.
- Contains no gloss-inducing components.

Use: Thoroughly mix 50 ml in roughly 10 litres of water. Wash vehicle using a sponge, rinse with clear water and dry off with chamois.

Matte Finish Quick Care

- Water-repellent.
- Enhances the matte effect.
- For cleaning and removing streaks.
- No stress cracking on polycarbonate.
- Anti-static effect, does not attract dust.

Use: Usable on all matte vehicle surfaces. Apply over large area, spread and then rub dry.

Matte Finish Long-Term Sealing

- Long-term anti-corrosion protection for matte finishes without any gloss-inducing effect.
- Contains high concentration of natural carnauba wax.
- Removes minor tar stains.

Use: Uniformly apply to cleaned paint surface. Polish when dry. Achieves its highest degree of protection after polishing out after 24 hours. UV radiation (sunlight) enhances the preservation properties.

Matte Finish Intensive Cleaner

- High-performance cleaner containing no solvents.
- Effectively removes insect remains.
- Enhances matte effect through complete removal of deposits causing gloss.

Use: Intensive cleaner for oil, grease and dirt. Apply and let stand for 1-2 minutes. Rinse with high-pressure water spray.

Gloss Preserver

Part number A 000 986 44 74 09 500ml **\$23.95**

- Protects paintwork and maintains existing gloss level. Can be used immediately after washing the car (no need to wipe the vehicle dry).
- Can also be used without washing the vehicle beforehand if the vehicle is only slightly dirty.
- If the Gloss Preserver is dried in, simply re-apply and wipe off immediately.
- For sealing new and cleaned paint surfaces. Also cleans and protects plastic and rubber parts.

Use: Thoroughly wash and dry vehicle and treat paintwork with Paint Polish. Thinly apply Gloss Preserver to the surface while still damp. Spread with a damp cloth or sponge and polish (seal) immediately.

Use with Polishing Cloths (A 000 986 09 62 12), see page 31.

Polishing Tissue

Part number A 000 986 05 62 15 pieces **\$15.95**

- This soft and fleecy tissue is lint-free and will not scratch or damage the paintwork. The composition of the tissue ensures optimum performance of Mercedes-Benz Genuine Car Care Products.
- Cleaning products are very efficiently absorbed by the tissue and applied to the paintwork in the correct amounts. The qualities of the tissue remain unchanged even when using solvents.

Use: Take a polishing tissue from the wrapper and apply the required Genuine Car Care Product (make sure to follow the instructions for the specific product). Use a fresh tissue to polish to a high gloss.

Polishing Cloth

Part number A 000 986 09 62 11 1 piece **\$6.95**
A 000 986 09 62 12 3 pieces **\$19.95**

- Absorbs wax and polish residues and ensures radiant, deep shine without scratches, streaks, smears or cloudiness.
- Extremely soft and absorbent cloth with round edges.
- The white colour makes it much easier to spot where the Car Care Product has been applied, thus preventing possible wiping scratches.

Use: Please wash cloth before use. Do not crumple up the cloth during usage. Wipe the polished or previously sealed paintwork carefully without applying pressure. The cloth is washable up to max. 60°C. Do not use fabric softener. Do not tumble dry.

For more information about Genuine Car Care Products, speak with your Parts Advisor or visit ShopMercedes.ca

Winter

Window Defrosting Agent

Part number A 000 989 18 25 09 500 ml **\$16.95**

- An excellent window defroster with anti-misting properties.
- One application will quickly and effectively remove layers of ice up to 0.1 mm thick even at -15°C.

Use: Remove any snow. If the windows are iced up, spray a sufficient amount of Window Defrosting Agent onto the frosted windows. Product starts to work immediately. If used in the interior, spray product onto a cloth and wipe the windows.

WinterFit Windshield Washer Concentrate

Part number A 002 986 14 71 09 1 l recyclable bottle **\$13.95**

- Removes oil, soot, salt and other winter dirt build-up from the windshield.
- Prevents smearing, nozzle freezing and windshield washer fluid freezing on the windshield.
- Quickly and effectively removes all winter dirt from the front and rear windshields.
- Antifreeze complies with ASTM D 1177-94 standard
- Does not cause strain cracks.

Use: Mixing ratios

WinterFit	:	Water	Antifreeze protective levels
1	:	1	-20°C
1	:	2	-10°C

Note: Can only be mixed with SummerFit screenwash.
